STATEMENT BY THE SPEAKER *re* DISCUSSION ON CERTAIN QUESTIONS.

Mr. SPEAKER.—Five notices have been so far given by members under rule 39 of which two have remained over from the meetings in March-April 1953. One notice by Sri K. Puttaswamy relates to question No. 294 on the subject of grant of lands to Sri Madhavakrishniah, Proprietor, T. R. Mills. The question was answered on the floor of the House on the 7th April 1953. Discussion on this subject will be taken up tomorrow, that is, the 22nd at the end of the business for the day.

Sri N. C. Nagaiah Reddy desires to raise a discussion on the subject matter wo question No. 144 which was ans fered on the floor of the House on 9-3-1953. This relates to an enquiry into certain allegations against the University in regard to the valuation of answer papers and the appointment of a Judge to hold the enquiry. This will also be taken up tomorrow the 22nd after Sri Puttaswamy's question is disposed of.

Sri B. Hutche Gowda has given notice under rule 39 to raise a discussion on a subject-matter of question No. 86 answered on the floor of the Assembly on the 15th July 1953. The subject relates to the loss incurred by the Government as a result of leasing out forest area for the exploitation of soft wood and timber such as rosewood, etc., by private agencies. This will be taken up on Friday the 24th at the end of the business of the day.

Sri R. K. Prasad desires to discuss the subject-matter of question No. 1952 which was included in the list of questions and answers for the 15th July 1953 but was not taken up for answer. This relates to the extension granted to the Labour Commissioner. The member wants to discuss the Government policy of granting extension or re-employing Government officers and the administration of the Labour Department. This will also be taken up on Friday the 24th, but will be limited to the first subject, namely, the policy of granting extensions and employing the retired people.

Sri B. Hutche Gowda has given another notice to raise a discussion on the subject matter of question No. 84 which was included in the list of questions and answers for the 18th July but was not taken up. This relates to the clarification of certain points as to the terms, ratio and selection and appointment of Junior Officers to the I.A.S. This will be taken up on Monday the 27th.
